## Pricing and Booking

- We operate as a restaurant 7 days a week. We do welcome large group bookings and functions. Our functions are based on a minimum spend model.
- The minimum spend is determined based on projected general trade for the time of the function - it is based on trade for the day of the week, time of the year and time of the day.
- Please note Sunday functions incur a 10% surcharge.
- Please factor an additional 10% for 2025 timings. Menus will likely change before 2025 as we update them seasonally.
- Please also note we don't run functions on long weekends or event days (Mothers/Fathers Day, Valentines Day etc).
- Christmas party season (end Nov-end Dec) have minimum spends in line with trade.
- Day function timeslots are 12pm – 3pm. Night functions are 5pm – 10pm.
- Function bookings can be either partial venue (single rooms) or full venue (the whole establishment).
